Saline C™ 6.0

COMMERCIAL SALT
CHLORINE GENERATOR

Natural, enjoyable
swimming experience with an
eco-friendly, low cost chlorine solution

- Eliminate transportation, handling and storage of hazardous chlorine
- Reduce chloramines and associated odors/corrosion
- Energy efficient power supply draws just 4 to 6 amps
- 40% to 60% lower cost per lb of chlorine vs. sodium and calcium hypochlorite
- Game-changing initial investment and cost of ownership
- Simple, low cost installation vs. multiple cell alternatives
