convenience, choose AquaRite.**

**Pour un confort et une commodité  
sans égal, choisissez AquaRite.**

Hayward®'s AquaRite is the most convenient alternative to conventional chlorine—bringing your pool the very best in soft, silky, perfectly sanitized water without you ever having to lift a finger.

Forget about mixing, measuring or messing around with harsh liquid or tablet chlorine. Say goodbye to red eyes, itchy skin, heavy chemical odors and the bleaching of toys and clothes. Now there's an easier, more efficient and cost-effective way to satisfy 100% of your sanitization needs and enjoy pool water that's always clean, clear and luxuriously soft.

Look for genuine Hayward salt chlorination – the #1 brand people trust.

Le système AquaRite de Hayward est la solution de recharge la plus pratique au chlore ordinaire – l'eau de votre piscine sera exceptionnellement douce et soyeuse, tout en étant parfaitement assainie, et ce, sans effort.

Plus besoin de mélanger, de mesurer ou de manipuler du chlore liquide ou en pastille. Dites au revoir aux yeux rouges, aux démangeaisons, aux odeurs désagréables des produits chimiques et à la décoloration des jouets et vêtements. Il y a maintenant une façon plus simple, efficace et économique de satisfaire 100 % de vos besoins d'assainissement, tout en profitant d'une eau de piscine toujours propre, limpide et incroyablement soyeuse.

Recherchez les systèmes de chloration au sel d'origine Hayward – la marque en qui les gens font le plus confiance.
