

OnCommand® & E-Command® 4

ENTRY-LEVEL AUTOMATION

It doesn't matter how simple or elaborate a pool is, they're all made to relax in, not work on. That's why we've introduced OnCommand and E-Command 4. They bring the luxury of automating pool, spa and other backyard functions to owners who thought that pool automation was unaffordable. Choosing either OnCommand or E-Command 4 gives you a full range of automation features. They allow you to automate pool, spa, and even ancillary backyard functions. Your pump, filter, heater, cleaner, pool/spa/landscape lighting and even water features can operate automatically, while you concentrate on fun. Plus, when used with a variable or two-speed pump, OnCommand or E-Command 4 can even pay for itself because it saves you up to 70% on energy costs year after year.

Take the work out of owning a pool.

The easiest, most cost-effective way to control your backyard.

Adding automation takes the work out of pool and spa ownership by automating all work-intensive functions, such as sanitization, cleaning and filtration. Perhaps best of all, automation can save you money - by automating essential pool and spa functions, you can save up to 70% on your pool's energy costs.

E-command 4 & OnCommand Features:

- Manages pool, spa and other backyard features automatically or with the push of a button
- Automates up to 4 features, 3 valves, heater and solar controls
- Up to 70% energy savings controlling a two- or variable-speed pump
- Intuitive programming, easy-to-read display
- Automated schedules for off-peak electrical rates
- Optional remote control
- Pool and spa light dimming relays sold separately
- Three-year limited warranty
- Can connect to control an external chlorinator

Full Control from Anywhere with AquaConnect.

AquaConnect* allows you to control your backyard from the web, through your home's Wifi® network, and via apps for iPhone®, iPad® and Android™. Whether you need to turn up the spa on your way home from work, or turn off your pool lights from inside your house, AquaConnect gives you the freedom of even easier control.

- Compatible with OnCommand and E-Command 4
- Must purchase AquaConnect base system and antenna.

ONCOMMAND & E-COMMAND ORDERING GUIDE

ONCOMMAND BASE SYSTEMS	
SKU	Description
ONCOM	OnCommand Controller
ONCOM-ACT	OnCommand with 2 additional actuators
ONCOM-RC	OnCommand with a 6-function remote and wireless antenna
ONCOM-ACT-RC	OnCommand with 2 actuators and 6-function remote and wireless antenna
ONCOM-POD	OnCommand with AquaPod wireless waterproof remote and base station
ONCOM-ACT-POD	OnCommand with 2 actuators, AquaPod wireless waterproof remote and base station
ONCOM-AQC	OnCommand with AquaConnect Remote Pool Management System*
ONCOM-ACT-AQC	OnCommand with 2 additional actuators and AquaConnect Remote Pool Management*
E-COMMAND 4 BASE SYSTEMS	
HPC-4	E-Command 4 Controller
HPC-4-ACT	E-Command 4 with 2 additional actuators
HPC-4-RC	E-Command 4 with 6-function remote and wireless antenna
HPC-4-ACT-RC	E-Command 4 with 2 actuators and 6 function remote and wireless antenna
HPC-4-AQC	E-Command 4 with AquaConnect Remote Pool Management System*
HPC-4-ACT-AQC	E-Command 4 with 2 additional actuators and AquaConnect Remote Pool Management*

*AQC models include wireless antenna.

Don't need or already have an electrical subpanel on the pool equipment pad?

CHOOSE ONCOMMAND

- Ideal for existing pools
- Perfect retrofit for outdated time clocks
- Comes with the ability to configure one group function

Need an electrical subpanel on the pool equipment pad?

CHOOSE E-COMMAND 4

- Ideal for new installations
- Integrated subpanel operates as its own breaker box
- Optional relay can be added for increased versatility
